The QBO course material is provided through *"Labyrinth Learning"* and written by Susan Watkin, MI, BSc. Ms. Watkin is an instructor at Mohawk College of Applied Arts and Technology in Ontario. She is a member of the "Canadian Intuit Trainer/Writer Network" and has worked directly with QuickBooks for many years on ProAdvisor certification requirements, business management and taxation.

This course is based on how things "should" or "could" be done. Often, in real life, individuals may have different ways of doing things that are different from this course. In the end, if it works then it's no problem. However, this course will NOT teach you how to fix complex errors. If you are working on an actual QBO data file that needs a lot of clean-up work, consider our QBO Platinum program.

Our other courses include:

- **QBO Gold** – everything in QBO Silver PLUS:
 - 54 hours of self-paced "in-class sessions" over Zoom
 - Access to the Facebook Group
 - Template: *"KPI's to Grow Your Business"*
- **QBO Platinum** – everything in QBO Gold PLUS additional topics:
 - Government rules and regulations
 - Tax deductible expenses
 - GST/HST, Provincial Sales Tax, Sales Tax in the US for E-Commerce Sellers
 - Introduction to Payroll Rules and Regulations in Alberta and across the provinces

 - 108 hours of self-paced "in-class sessions" over Zoom
